# Tapas Corporate Event Menus

We are currently updating the 2023 events menus.

Please email [events@tapasibiza.com](mailto:events@tapasibiza.com) to be notified as soon as they are finalised.

## How it works...

---

**All group menus are designed with you in mind, to be flexible and cater for everyone.**

---

### **Flexibility:**

The menus can be adjusted to include personalised items, such as signature cocktails with yours company names / team name, personalised wine lists and alcohol free drinks menus etc.

---

### **Inclusive:**

All menus can be adjust to cater for all dietary requirements and food allergies. We take food allergies very serious and will ensure that your team members can eat with confidence at Tapas.

### **Private Lunches:**

Please note that we can cater for your group in the afternoon for a 2pm lunch sitting, there is a small hire fee for this options, but you will have exclusivity of the venue. You will have the table for 3 hours, which is plenty of time for your group to enjoy the sharing menu.

---

### **Evening Meals:**

For evening meals we can cater for your group anytime between 5pm - 7pm, again you will have the table for 3 hours. There is no hire fee, however you will not have exclusivity in the garden area.
